Thank you!

Dear Donors and Friends,

In this very special edition of Reflections, we gratefully list those who have been honored or remembered by your tribute gifts to Pathways during the past 2 years.

You honor and cherish those you remember with gifts. These contributions honor not only the lives or service of those listed, they pay forward the loving and courageous spirit of all who are mentioned. Your tribute gifts are the backbone of philanthropy at Pathways. We are eternally grateful to you, the devoted patients and families who have experienced the comfort and care provided by our dedicated caregivers and volunteers. Your gifts make all the difference, providing that extra care and healing touch that will always remain the hallmark of Pathways’ service.

On behalf of all who benefit from your generosity, today and in the years to come, thank you.

Gratefully,

Sandra K. Coolidge, RN, PHN
President of Philanthropy

Blake Sandy is finding new ways to win the prize for Pathways’ patients like his mom, Norma.

Blake was so inspired by the incredible care and comfort Pathways provided to his mother in 2005 and 2006 that he wants to be certain that the same nurturing care is available for everyone.

Norma taught Blake from a young age that giving back is a vital part of a full life. While he gives generous donations, it is the many ways he participates that are so impressive. Blake submits his eligible gifts for a match by his Silicon Valley tech employer. After including us in his estate plan, Blake joined our Legacy Society. He volunteered at our Links to the Heart Golf Tournament and was struck, not by a golf ball, thankfully, but by another way to celebrate his mom’s infectious spirit and inspire others to join him in making a difference for Pathways patients. He sponsors a cash prize Hole-in-One at the golf tournament in memory of his mom! So look for the Norma J. Sandy Hole-in-One at the Stanford Golf Course on July 16th.

Thank you, Blake, for finding such a unique way to remember your mother, honor her legacy of philanthropy, and ensure the future of care and comfort to Pathways’ patients and families.
In Memory

Each person listed below was specially remembered with gifts from family and friends. Families frequently choose to request donations to Pathways in lieu of flowers and many remember their loved ones for successive years with regular gifts. These gifts were received between January 1, 2016 and December 31, 2017.

How you can help...

With every tribute gift you provide care and comfort to a patient or grieving family. You can provide that comfort in many ways:

- Send a gift by check or credit card or via the web;
- Donate funds directly from IRA accounts to Pathways, satisfying minimum distribution requirements excluded from income tax;
- Gifts of appreciated stock donated directly to Pathways and avoiding capital gains tax;
- Name Pathways as a beneficiary in your estate plan or trust, IRA, or life insurance policy, ensuring a legacy of caring beyond your lifetime;
- Partner with employers who generously match your contributions;
- Give recurring monthly gifts, which make it so easy to give a significant gift over time;

For more information on trusts, annuities, and other ways you can support Pathways, please explore our planned giving website at www.pathwayshealth.org or call us at 408-730-1200.

Every effort was made to insure the completeness and accuracy of these lists. We sincerely regret any inadvertent errors or omissions. Please inform us of any inaccuracies at 408-730-1200.
